

The 2016 Season is Starting at Hanson's Garden Village!

This is our 31st year in business and we are looking forward to another great season! We are keeping busy finalizing plant orders, sticking cuttings and prepping seeds to be planted. We have also been busy planning our class and event schedule for Spring 2016 (much of which is listed below). Our retail spaces are not open for the season yet, but if there is anything needed we are out here Monday-Friday from 9:00am-5:00pm. You may also call us at

715-365-2929 or email us at info@hansonsgardenvillage.com.

We wouldn't be here without our customers, so if there is something you would like offered from us, please let us know! See you soon!

2016 Spring Schedule

2016 Spring Preview Party

Celebrate the 1st Day of Spring (March 20th)
by joining us at our Spring Preview Party!

We will share with you all the new annuals, perennials, trees and shrubs we are carrying for 2016. You will also get a tour through our greenhouses to see what we have been up to and breath in some spring air!
Come with questions. Light refreshments will be served.

How We Grow Matters

At Hanson's we are always thinking about the future and our environment.

*We take care when we spray our crops and what we spray on them. Our plants do need certain chemicals and nutrients to flourish and grow. However, we try to use the best choices for your plants, your health and your environment.

*We limit what we spray on our edible crops making it the healthiest for you and the plants.

*We implement as many sustainable practices as we can into our business including plastic recycling, composting and solar curtain technology to name a few.

*We are sincere promoters of sustainable landscape and gardening practices.

*We are proud of our partnerships with organizations promoting native plant restorations, pollinator friendly practices and invasive

New for 2016!

Would you like to host a Fairy Garden Class for your child's birthday? Does your social group need a spring activity? Do you have friends and co-workers that want to join you for a private garden workshop?

If you organize at least 6 participants (birthday parties, summer group activities, garden clubs, co-workers, friends, family, social clubs etc.), we will host a private garden class for you!

We can host one of our popular classes, or we can work with you to tailor a class to your group's needs or interests!

Fees for the class are per person and are determined by the type of workshop and the materials used.

Times and dates are flexible, so call today to book your own private workshop!
